

OPW 295 Over-Wing Aviation Nozzles

PEAR Canada is an authorized OPW stocking distributor for aviation related fuel handling equipment. All 295 series over-wing nozzles are stocked in the following model numbers.

295SAC-0156	1-1/4" NPT with 1" spout
295SAC-0157	1-1/2" NPT with 1" spout
295SAC-0158	1-1/2" NPT with 1-1/2" spout
295SACJ-0200	1-1/2" NPT with Flared Jet spout

OEM Parts

All supplied parts from PEAR are OEM equipment insuring the correct fit and approved materials are used for replacement parts. We keep a good stock available so your equipment is back up and working as soon as possible.

Fjord preferred handle guards and spout dust caps are available upon request.

Nozzle Repair Service

Our trained service technicians have been repairing over-wing and single point nozzles for many years. If you are not familiar, do not have the time or trained staff, we can repair your nozzles to working order in record time to keep your operation up and running.

SIMPLY THE BEST! BETTER THAN ALL THE REST!
